“Book match” o “macchia aperta”
sono termini con cui si indica la
possibilità di posare lastre in continuità
tra di loro ottenendo un effetto
speculare della composizione. Il risultato
estetico descritto, è particolarmente
ricercato nell'ambiente dei marmisti ed
è sinonimo di altissima qualità estrattiva
in cava.

“Book match” is a term used to
describe the technique of laying panels
side by side to produce an effect where
the pattern is mirrored. The aesthetic
result achieved is particularly esteemed
by those who work in the marble
industry, and is synonymous with high
quality extraction from the quarry.

“Book Match” oder **Mustersymmetrie**
sind Begriffe, die auf die Möglichkeit
hindeuten, Platten fortlaufend
nebeneinander zu verlegen und so einen
Spiegeleffekt der Gesamtanordnung zu
erhalten. Das beschriebene ästhetische
Ergebnis ist bei Marmorverarbeitern
sehr begehrt und ein Synonym für hohe
Abbauproduktqualität im Marmorsteinbruch.

« Book match » ou « livre ouvert »
sont des termes utilisés pour décrire
la possibilité de poser des dalles en
continuité entre elles afin d'obtenir
un effet de composition en miroir. Le
résultat esthétique à peine décrit est
particulièrement recherché dans le
domaine des travailleurs de marbre, et
est synonyme de très de haute qualité
d'exploitation minière dans la carrière.
