INTRO

about us

We produce fabrics using functional yarn that offers various benefits, such as anti-bacterial, quick-drying, odor control, and more. Additionally, we experiment with dope-dyed yarn to create fabrics, aiming to reduce chemical usage, conserve water, and save energy.

WHAT FUNCTIONS

- Quick-drying
- Odor control
- UV blocking
- Retain warmth
- Cool sensation
- Far infrared
- Anti-static
- Anti-bacterial
- Stress relief
